“为了有个好主意，必须先有很多想法。”

- Joy Paul Guilford (1897—1987)

发散性思维是与创造力关系最为密切的思维方式。

思维发散（Divergent Thinking）的程度代表着人的创造力大小。

也就是说思维越敏捷越灵活，也就越能激发出更强的创造力。

The screenshot shows the Threadless website homepage. At the top, there is a navigation bar with the Threadless logo (25 YEARS), a search bar labeled "Search the Artist Marketplace", and icons for a globe, shopping cart, and heart. A "JOIN US" button with a "Login" link is also present. Below the navigation bar, a horizontal menu lists categories: ARTISTS, THEMES, APPAREL, HEADWEAR, ACCESSORIES, WALL ART, HOME DECOR, and COMMUNITY. The main banner features a man with a beard wearing a blue t-shirt with a cartoon robot and the text "OFFLINE :)", surrounded by large yellow and orange flowers. The banner text reads "SUN'S BACK DRESS ACCORDINGLY" and includes a "\$15 TEES" badge and a "SHOP NOW" button. At the bottom, there are three blue buttons: "SHOP BEST SELLERS", "SHOP NEW DESIGNS", and "SHOP BY THEMES". A small "x" icon is visible on the "BEST SELLERS" button. A black banner at the very bottom left says "UNLOCK 20% OFF!".
